

FIG. 1

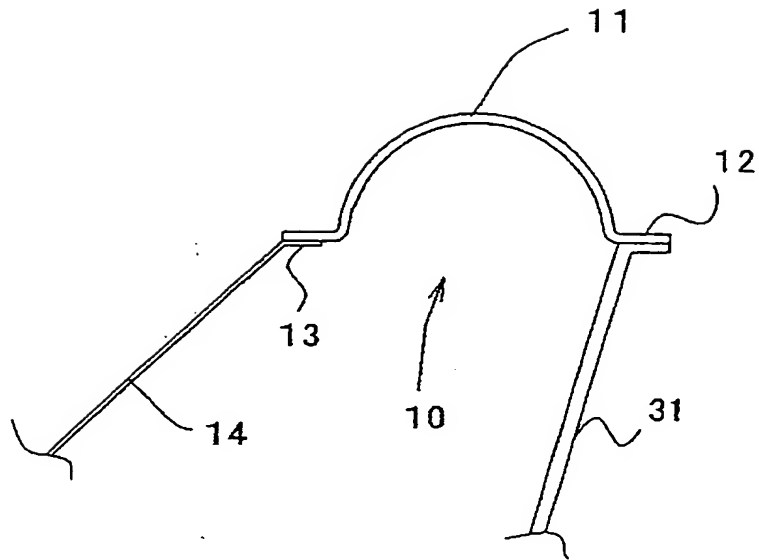

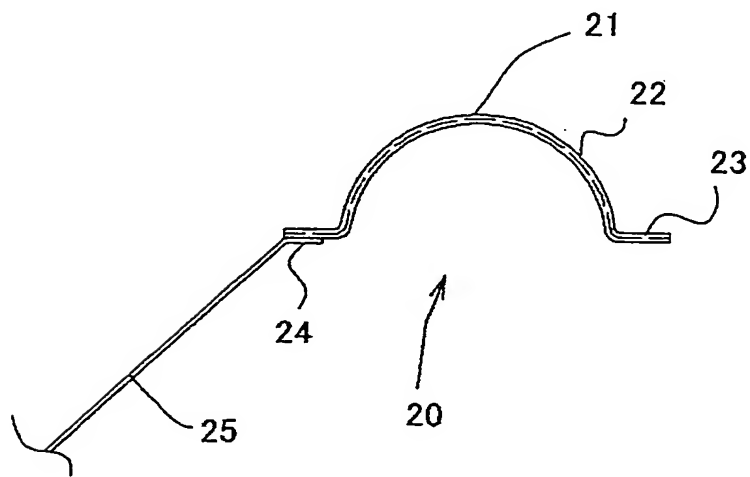

FIG. 2

A diagram of a cross-section of a container, labeled 20a. The container has a curved top edge 23 and a curved bottom edge 25. The interior is divided into several horizontal layers by curved lines 21 and 24. A central region is filled with a cross-hatched pattern, labeled 26a and 26b. A dashed line 22a is also shown. The entire container is labeled 20a on the right side.
